

HUNT MILITARY COMMUNITIES FOUNDATION ANNOUNCES THIRD ANNUAL PATRIOT ESSAY CONTEST

Children between the ages of 8 and 16 are invited to share their thoughts on what it means to be patriotic or how they show patriotism in their community.

To apply, children can visit Patriot.HuntHeroesFoundation.org and submit an essay of no more than 200 words or a video message of less than 2 minutes.

The Hunt Military Communities Foundation members will review all applications, and up to five winners will be selected. Each winner will receive a \$100 monetary gift, a Hunt Little Hero Challenge Coin, and will be featured on social media and through a media release.

Having our youth share what it means to show patriotism has become an annual tradition. It is heartwarming to hear their thoughts and celebrate their patriotism when we reflect on the events of 9/11/2001 and recognize National Patriot Day annually on September 11th.

The deadline for submissions is September 5th, 2023. This contest is open to any child between the ages of 8 and 16.

COMMUNITY ANNOUNCEMENTS

With the summer weather getting hotter out there and more outside activities coming up we wanted to highlight two policies as a friendly reminder to all residents. (See Below)

Pools: Personally owned pools are limited to small wading pools, not to exceed 18 inches in depth and 8 feet in diameter. Residents will ensure that an adult closely supervises children utilizing the pools and pools are emptied when not in use. For health and safety reasons, it is recommended that chlorine tablets be added to the water in pools. Any damage to grass areas will be repaired at resident's expense. Pools must be emptied and properly stored immediately after use and may not remain filled overnight.

Trampolines: Personally owned trampolines are limited to 16 feet in width and must have side netting. Trampolines must be compatible in size with the home's rear yard, only on a flat surface, and can not be located where there will be an adverse visual impact from the street or from neighbors' homes. Trampolines can only be erected in backyards with a full fence. It would be the resident's responsibility to install a fence if the home does not have one. A written request to erect a trampoline must be submitted to REDSTONE FAMILY HOUSING and approval must be granted prior to installation. Residents are encouraged to secure additional liability insurance to cover any injuries that may occur as a result of trampoline usage.

Future Civilian Applicants: For any future civilian applicants interested with on-post housing here on base, please note that we are currently utilizing a wait list with an approximate wait time of 12-18 months or more. For further information, please feel free to contact us at the housing office.
